

| Specialty Area | PI Last Name | Title | Short Title |
|----------------|--------------|--|--------------------------------|
| Hearing | Buchman | Predicting Performance in Adult Cochlear Implantation | Predicting Performance in CI |
| Hearing | Buchman | Cochlear Implant Mapping using Measures of Auditory Function | Cochlear Implant Mapping |
| Facial Plastic | Chi | Shared decision making in facial plastic surgery | facial plastic surgery survey |
| Facial Plastic | Chi | Patient Concerns about Therapeutic Options for Facial Paralysis and the Shared Decision-Making Process | Facial Paralysis-Pt Concerns |
| Facial Plastic | Chi | Speech Outcomes after Botulinum Toxin Injection of the Depressor Anguli Oris in Facial Synkinesis | Speech Outcomes in FS |
| Facial Plastic | Chi | Exploring perceived patient engagement in shared decision making in facial trauma surgery | Facial trauma SDM |
| Facial Plastic | Chi | Speech and communication outcomes in patients with facial synkinesis | facial synkinesis |
| Facial Plastic | Chi | Reductive Rhinoplasty for Optimization and Reconstruction of Post Mohs Nasal Defects | Reductive Rhinoplasty |
| Facial Plastic | Chi | Decisional Conflict Scale (DCS) Validation Among Elective Otolaryngology Surgical Patients | DCS Validation |
| Facial Plastic | Chi | The impact of social determinants of health on the care of facial trauma patients and implications for shared decision making | Facial Trauma SDH implications |
| Facial Plastic | Chi | Work productivity and activity impairment in patients with nasal obstruction undergoing functional septorhinoplasty | functional septorhinoplasty |
| Facial Plastic | Chi | Reconstruction of Nasal Skin Cancer Defects: A Discrete Choice Experiment | Recon of nasal skin defects |
| Hearing | Davidson | The Effects of Early Acoustic Hearing for Pediatric Cochlear Implant Recipients | Early Acoustic Hearing |
| Hearing | Davidson | Demographic audiologic and amplification characteristics of children with Unilateral Hearing Loss (UHL) a Chart Review | UHL Audiology Characteristics |
| Hearing | Davidson | Developing an Audiovisual Consonant and Lexical Boundary Test for Pediatric Cochlear Implant Recipients: A Pilot Study | Audiovisual Test |
| Hearing | Davidson | Clinical validation of hearing-aid candidacy and outcome measures for children with MBHL. | Managing MBHL in Children |
| Hearing | Davidson | Using the Speech Intelligibility Index (SII) to predict spoken language for children with hearing loss | SII and Hearing |
| Pediatric | Dunsky | Characterizing the Manifestations of Upper Airway Disease in Primary Ciliary Dyskinesia and Primary Immunodeficiencies | 5908 |
| Pediatric | Dunsky | Impact of drug induced sleep endoscopy (DISE) on surgical decision making in young children | DISE in young children |
| Pediatric | Dunsky | Hearing in children with primary ciliary dyskinesia (PCD) | Hearing in PCD |
| Otology | Durakovic | Factors Affecting Post-Operative Outcomes After Non-tumor Middle Fossa Surgery | Non-tumor MFC Outcomes |
| Otology | Durakovic | Portable Computerized Dynamic Posturography and Balance Training System to Deliver Sensory Organization Tests in Clinic and Field Environments | STABLE System |

| | | | |
|--------------------|----------|---|--|
| Rhinology | Farrell | Stellate Ganglion Block for the Treatment of COVID-19-Induced Parosmia: Double-Blinded, Placebo-Controlled Randomized Clinical Trial | SGB for Parosmia |
| Rhinology | Farrell | A Rheumatoid Arthritis Associated Variant of Chronic Rhinosinusitis | Chronic Rhinosinusitis + RA |
| Rhinology | Farrell | NORTOC: Nasal Obstruction Randomized Trial with Oxymetazoline and Corticosteroids | NORTOC |
| Rhinology | Farrell | Auto-obliteration of the frontal sinuses in patients with Chronic Rhinosinusitis | frontal sinus auto-obliteration |
| Hearing | Firszt | Central Auditory Function in Adults with Hearing Loss I: Effects of Ear of Stimulation and Stimulus Type | fMRI UHL including add noise |
| Hearing | Firszt | Ectopic Stimulation Factors Limiting CI Outcomes | Ectopic Stimulation |
| Hearing | Firszt | Effects of Asymmetry in Electrode Location in Bilateral Cochlear Implant Recipients | Bilateral Pitch Matching |
| Hearing | Firszt | The role of cognition in cochlear implant outcomes: Identifying the basis for variance | CI in Noise |
| Hearing | Firszt | Effects of Asymmetric Hearing: Localization and Speech in Noise Abilities | Asym Loc and Speech in Noise |
| Hearing | Firszt | Pilot Study of Audiological Treatment in Children with Unilateral or Asymmetric Hearing Loss | UHL/AHL Peds - Pilot Treatment |
| Hearing | Firszt | Cochlear Implantation in Adults with Asymmetric Hearing Loss Clinical Trial | U01 Asym Adult Clinical Trial |
| Hearing | Firszt | Sound Localization Test Methods For Children With Unilateral Deafness | Loc Test Methods - Children |
| Hearing | Firszt | Cochlear Implantation in Children with Asymmetric Hearing Loss or Single-Sided Deafness Clinical Trial | U01 Peds CI in AHL/SSD |
| Hearing | Firszt | Individual differences in brain networks supporting speech understanding in patients with cochlear implants | CIDOT04 |
| Hearing | Firszt | CI Facemasks | CI Facemasks |
| Hearing | Firszt | Effects of Interaural Loudness and Pitch Mismatch on SSD-CI Performance | Interaural Mismatch in SSD-CI |
| Hearing | Firszt | Effects of Single-Sided Deafness on the Brain and Behavioral Outcomes in Listeners With and Without a Cochlear Implant | Effects of Single-Sided Deafness |
| Hearing | Firszt | Retrospective Study of Advanced Bionics Recipient Outcomes with Single-Sided Deafness and Asymmetric Hearing Loss | AB Retrospective SSD/AHL Study |
| Hearing | Firszt | Investigation into the feasibility of app-based follow-up in bimodal and bilateral cochlear implant patients. | App-based follow-up in CIs |
| Head & Neck Cancer | Harbison | Metabolic regulation of anti-tumor immunity in the tumor microenvironment | anti-tumor immunity |
| Otology | Herzog | Subtotal petrousectomy on the cost of care in advanced chronic otitis media | Subtotal petrousectomy |
| Otology | Herzog | Outcomes Following Subtotal Petrosectomy | Subtotal Petrosectomy |
| Otology | Herzog | A pivotal, prospective, multicentre, single-arm study evaluating the safety and efficacy of a dexamethasone eluting Slim Modiolar electrode array (EA32D) | DEE-REX |
| Hearing | Hirose | Inner Ear Correlates of Hearing Loss in Trisomy 21 | Hearing Loss and Trisomy 21 |
| Hearing | Hirose | Long term hearing outcomes after valgancyclovir in children with congenital CMV | CMV-Hearing Loss Study in children treated with antivirals |

| | | | |
|--------------------|-----------------|--|--|
| Hearing | Hirose | High resolution MRI of the mouse cochlea to assess blood labyrinth barrier function and active inflammation | High resolution MRI to assess inner ear inflammation |
| Hearing | Hirose | Differential gene expression of the developing mouse cochlea after cCMV infection | RNA-Seq Data Analysis |
| Hearing | Hirose | Timing and integrity of the mouse blood perilymph barrier during auditory development | BPB development |
| Hearing | Hirose | Unique molecular signatures of pediatric cholesteatomas and factors that predispose to recurrence | scRNA seq of pediatric cholesteatomas |
| Laryngology | Huston | Central Auditory Processing Defects in Unilateral Vocal Fold Paralysis Patients | CAPD and UVFP |
| Laryngology | Huston | Computer vision for tracking of vocal fold movements | AI VF |
| Laryngology | Huston | Effects of Anxiety Treatment on Muscle Tension Dysphonia | Anxiety Treatment on MTD |
| Laryngology | Huston | Iatrogenic laryngeal injury in the Covid-19 Pandemic | Covid-19 laryngeal injury |
| Laryngology | Huston | Voice Catastrophization Index Scores and Voice Treatment Outcomes among Adults with Dysphonia | VCI and Voice Therapy Outcomes |
| Laryngology | Huston | Biofeedback vs Laryngeal Control Therapy in Management of Paradoxical Vocal Fold Motion (BLiMP) | BLiMP |
| Laryngology | Huston | Gender Differences in Paradoxical Vocal Fold Motion Disorder | Gender Differences in PVFM |
| Head & Neck Cancer | Jackson | Functional and oncologic outcomes of patients with head and neck cancer treated with transoral resection. | Transoral surgery |
| Head & Neck Cancer | Jackson | Phase II Randomized Trial of Transoral Surgical Resection followed by Low-dose or Standard-dose IMRT in Resectable p16+ Locally Advanced Oropharynx Cancer. | CTSU E3311 |
| Head & Neck Cancer | Jackson | Evaluation of TracelT Tissue Marker to mark the primary resection bed margins of oropharyngeal cancers: a pilot study | TracelT oropharyngeal |
| Head & Neck Cancer | Jackson | Outcomes of vascularized free flap reconstructions in anterior skull base | Outcomes of free flap |
| Head & Neck Cancer | Jackson | Assessing Longitudinal Pain Scores and Opioid Usage Following Transoral Surgery for Oropharyngeal Cancer | TOS pain |
| Head & Neck Cancer | Jackson | Defining the acute postoperative pain trajectory of patients undergoing transoral surgery | Acute Pain Following TORS |
| Head & Neck Cancer | Jackson | A Stepped Wedge Cluster Randomized Trial Comparing a Navigation-Based Multilevel Intervention With Treatment as Usual to Decrease Delays Starting Postoperative Radiation Therapy in Adults with Locally Advanced Head and Neck Squamous Cell Carcinoma (The ENDURE Trial) | The ENDURE Trial |
| Hearing | Jiramongkolchai | Application of optical coherence tomography for middle ear and intracochlear imaging | OCT of the middle/inner ear |
| Hearing | Kim | Determining Receptive Property of Cochlear Cells in Sound Encoding | Sound Encoding |
| Hearing | Kim | Identifying Target Sites to Prevent Cisplatin-Induced Ototoxicity | Ototoxic Drug Tracking |

| | | | |
|--------------------|-------------|---|----------------------------------|
| Pediatric Oto | Lieu | A Retrospective Analysis of the Benefits of Superficial Cervical Plexus Blockade for Children Undergoing Otologic Surgery | Cervical Plexus Blockade in Peds |
| Pediatric Oto | Lieu | Longitudinal Hearing Quality of Life (QOL) Outcomes in Pediatric Hearing Loss Patients | Longitudinal HEAR-QL in children |
| Pediatric Oto | Lieu | Complications of pediatric rhinosinusitis in the Covid-19 era | Complicated Ped Rhinosinusitis |
| Pediatric Oto | Lieu | Barriers to cisplatin ototoxicity monitoring and impact of cisplatin ototoxicity on quality of life | Ototoxicity QoL |
| Pediatric Oto | Lieu | HEAR-QL questionnaire as a screening tool for hearing loss in school-aged children | HEAR-QL screening tool |
| Pediatric Oto | Lieu | Validation of Tablet Audiometry for Diagnostic Use in Pediatric Patients in a Clinic Setting | TAP Study |
| Pediatric Oto | Lieu | Factors Affecting the Management of Congenial Nasal Pyriform Aperture Stenosis: A Pooled Analysis and Retrospective Case Series | Factors Affecting CNPAS |
| Pediatric Oto | Lieu | Hearing Device Use and Disease Specific Quality of Life in Children with Hearing Loss | HEAR-QOL Prospective |
| Pediatric Oto | Lieu | Evaluation and treatment of sleep disordered breathing in patients with craniofacial abnormalities | SDB in Craniofacial Abnormality |
| Hearing | McClannahan | Hearing Handicap Mediators | Hearing Handicap Mediators |
| Hearing | McClannahan | Assessment of Hearing Handicap in Clinical Audiology Practice | HH in Clin Audiol |
| Hearing | McClannahan | Objective, subjective, and informant-based measures of hearing difficulties in adults with dementia | Hearing Difficulty and Dementia |
| Hearing | McClannahan | Hearing Loss & Social Anxiety | HL_SocAnxiety |
| Hearing | McClannahan | Hearing Loss and Psychosocial Factors | HL_PsychoSocial Factors |
| Pediatric Oto | Menezes | Cervicofacial Nontuberculous Mycobacterium Infections in a Midwestern Tertiary Care Hospital: a Retrospective Cohort Study. | NTM |
| Speech | Murray | Integration of Visual Speech | AVI-V |
| Speech | Murray | AV lipread yourself fMRI | AVfMRI_LRYS |
| Otolaryngology | Ogden | Utility of minor salivary gland biopsy in diagnosis and management of Sjogren's syndrome | Utility of salivary gland biopsy |
| Otolaryngology | Ogden | SPIT Survey Validation Study | Sialendoscopy Questionnaire |
| Otolaryngology | Ogden | Outcomes in External Approaches for large parotid stones: a multi-centered study | Outcomes-large parotid stones |
| Hearing | Ortmann | The effect of surgical noise on hearing | Surgical Noise on Hearing |
| Hearing | Ortmann | Clinical Utility of Residual Hearing in the Cochlear Implant Ear | Residual Hearing in CI Ear |
| Head & Neck Cancer | Paniello | Recurrent laryngeal nerve connective tissues as a factor in vocal fold paresis/paralysis | Vocal Fold |
| Head & Neck Cancer | Paniello | Randomized Pilot Study assessing the efficacy of 3 days versus 10 days of post-operative voice rest after benign vocal cord lesion removal. | Voice Rest Pilot Study |
| Head & Neck Cancer | Paniello | Randomized Phase II/III Trial of Sentinel Lymph Node Biopsy versus Elective Neck Dissection for Early-Stage Oral Cavity Cancer | CIRB NRG-HN006 |
| Head & Neck Cancer | Paniello | Recurrent laryngeal nerve connective tissues as a factor in vocal fold paresis/paralysis | Vocal Fold |
| Head & Neck Cancer | Paniello | Rationale for Changes in Dosage of Laryngeal Botulinum Toxin Injections for Spasmodic Dysphonia | Laryngeal Botox Dosing |
| Otolaryngology | Piccirillo | Otolaryngology Research Participant Registry | ORPR |

| | | | |
|--------------------|------------|--|----------------------------------|
| Otolaryngology | Piccirillo | Development and Validation of Decision Aid for Acoustic Neuroma Patients | AN-DA |
| Otolaryngology | Piccirillo | Mindfulness-Based Stress Reduction for Long-Covid-19 Parosmia | MBSR-LCP |
| Otolaryngology | Piccirillo | Change in Epistaxis-Related Quality of Life in Hereditary Hemorrhagic Telangiectasia Patients after Sclerotherapy | HHT and Sclerotherapy |
| Otolaryngology | Piccirillo | ChatENT: Accuracy of ChatGPT in Diagnosis of Common Otolaryngologic Disorders | ChatENT |
| Head & Neck Cancer | Pipkorn | The impact of reconstruction on ability to detect early oral cancer recurrence. | early oral cancer |
| Head & Neck Cancer | Pipkorn | Plate related complications and bony union, mandibular reconstruction | Bony union |
| Head & Neck Cancer | Pipkorn | Management of free flap failure | Flap failure |
| Head & Neck Cancer | Pipkorn | Multi-institutional study: reviewing the approach and outcomes in the management of pharyngo-esophageal perforation after cervical spinal surgery | pharyngo-esophageal perforation |
| Head & Neck Cancer | Pipkorn | Vascularized parascapular fat flap for parotid reconstruction | Parascap parotid |
| Head & Neck Cancer | Pipkorn | Clinically relevant cutoff points for the IMAGE-HN as a novel diagnostic strategy for Head and Neck Cancer (HNC)-related body image disturbance (BID) | IMAGE-HN |
| Head & Neck Cancer | Pipkorn | Factors associated with outcomes in HPV-related oropharyngeal carcinoma | HPV-related OPC |
| Head & Neck Cancer | Pipkorn | Double and chimeric free flaps for reconstruction of head and neck defects: a multi-institutional cohort | Double & chimeric free flaps |
| Head & Neck Cancer | Pipkorn | Free tissue transfer for radiation induced necrotic wounds | non mandibular ORN free tissue |
| Head & Neck Cancer | Pipkorn | A Multi-Site, Parallel-Group, Randomized Clinical Trial Comparing a Brief Tele-Cognitive Behavioral Therapy Intervention (BRIGHT) with Attention Control for the Reduction of Body Image-Related Distress Among Head and Neck Cancer Survivors | BRIGHT Trial |
| Head & Neck Cancer | Pipkorn | Vascularized fascia lata in head and neck reconstruction | Vasc fascia lata |
| Head & Neck Cancer | Pipkorn | Parascapular free tissue transfer for parotid defect reconstruction | Free flap reconstruction |
| Head & Neck Cancer | Pipkorn | Osseous free flap reconstruction of the temporomandibular joint in patients with head and neck cancer | OFF reconstruction TMJ |
| Head & Neck Cancer | Pipkorn | Clinical outcomes following functional laryngectomy | functional TL |
| Head & Neck Cancer | Pipkorn | Novel Approaches for Head and Neck Free Flap Reconstruction: Technique and Outcomes | Free Flap Technique and Outcomes |
| Head & Neck Cancer | Puram | Analysis of Histological, Genomic, Molecular, and Clinical Factors in Head and Neck Cancer: The Tissue Acquisition Protocol (TAP) | H&N banking |
| Head & Neck Cancer | Puram | Smoking and Molecular Characteristics of Oncologic Outcomes in Head and Neck Cancer | smoking & molecular char in H&N |
| Head & Neck Cancer | Puram | Identification of Tumor Subpopulations in Head and Neck Cancer | Intra-tumoral study |
| Head & Neck Cancer | Puram | Effect of Margin Assessment on Head and Neck Cancer Survival Outcomes | Margin assessment |
| Head & Neck Cancer | Puram | Integrating social and molecular determinants of HPV-associated cancers | social-molecular determinants |
| Head & Neck Cancer | Puram | Clinical Proteomic Tumor Analysis Consortium CPTAC | CPTAC III |

| | | | |
|--------------------|------------|--|----------------------------------|
| Head & Neck Cancer | Puram | Dental hardware as a risk factor for oral cavity squamous cell carcinoma in nonsmokers | Dental hardware in oral SCC |
| Head & Neck Cancer | Puram | Factors associated with non-surgical treatment and the omission of postoperative radiation in oral cavity squamous cell carcinoma | Factors in OCSCC |
| Head & Neck Cancer | Puram | Predicting head and neck cancer outcomes using partial epithelial-to-mesenchymal transition biomarker | Predicting HNC outcomes |
| Head & Neck Cancer | Puram | Sarcopenia, Cachexia, and Inflammation as Predictors of Outcomes in Laryngectomy Patients | Sarcopenia and outcomes |
| Head & Neck Cancer | Puram | Association of Social Risk Factors with PORT Delays | Risk Factors with PORT Delays |
| Head & Neck Cancer | Puram | 2022-RETRO-YOU-001: Delayed Screenings During the Covid-19 Pandemic Increased Advanced First Diagnosis in Breast, Melanoma, Lung, Colon, and Head and Neck Cancers | 2022-RETRO-YOU-001 |
| Head & Neck Cancer | Puram | The use of Intraoperative Frozen section to assess final Tumor margin status in patients receiving surgical treatment for oropharyngeal squamous cell carcinoma | Intraop frozen section for OPSCC |
| Head & Neck Cancer | Rich | Webster modification of the Bernard-Von Burrow method of lip reconstruction, case series and review of the literature | Webster modification lip recon |
| Head & Neck Cancer | Rich | A Multi-Center Trial of a Patient Education Handout for Head and Neck Free Flap Surgery | Pt Education-Free Flap |
| Head & Neck Cancer | Rich | Impact of ERAS for Head & Neck Microvascular Free Flaps: Providers Perspective | Providers Perspective |
| Head & Neck Cancer | Rich | Effects of Online Peri-operative Education Program for Patients Undergoing Major Head & Neck Surgery | Perioperative Online Education |
| Head & Neck Cancer | Rich | Correlation of Health Priorities and Regrets with Functional Outcomes Among Older Patients with Head and Neck Cancer | Elderly Priorities |
| Head & Neck Cancer | Rich | Outcomes and Technique Analysis for Local Flap Reconstruction of the Head and Neck for Cutaneous Malignancies | Local flap outcomes |
| Head & Neck Cancer | Rich | Risk Factors Associated with Subclinical Disease in Head and Neck Cutaneous Melanoma | Subclinical Disease HN Melanoma |
| Laryngology | Rohlfing | Single institution retrospective evaluation of idiopathic subglottic stenosis | iSGS |
| Laryngology | Roland | Predictors of Olfactory Function After Endoscopic Transsphenoidal Hypophysectomy | Predictors of Olfactory Function |
| Laryngology | Roland | Biobank of Human Sinonasal Tissue and Cell Lines | Sinonasal Biobank |
| Laryngology | Roland | The Impact of Chronic Rhinosinusitis on Complications After Endoscopic Transsphenoidal Hypophysectomy | CRS on ETSH Complications |
| Laryngology | Roland | Evaluation of immune response in sinusitis patients | Immune response in sinusitis |
| Laryngology | Roland | Imaging coordinates of biopsy sites in suspected invasive fungal sinusitis patients | Imaging coordinates in IFS |
| Laryngology | Roland | Intraoperative Ultrasound for Pituitary Masses | intraop US for pituitary mass |
| Laryngology | Roland | Management, Surveillance, and Clinical Staging of Acute Invasive Fungal Sinusitis | AIFS |
| Laryngology | Roland | High Resolution CT-MRI Fusion Imaging to Accurately Detect Cerebrospinal Fluid CSF Leaks | HRCT-MRI Fusion for CSF Leaks |
| Laryngology | Roland | American Academy of Otolaryngology-Head and Neck Surgery (AAO-HNS) Committee Allergy Survey | AAO-HNS Allergy survey |
| Laryngology | Roland | Characteristics and Incidence of Spontaneous CSF Leak in Patients with Idiopathic Intracranial Hypertension | CSF leak in IIH |
| Laryngology | Roland | Development of a Prognostic Severity Scale for Allergic Fungal Rhinosinusitis | AFRS |
| Hearing | Rutherford | Cellular and Molecular Biology of Inner Ears | Biology of Inner Ears |

| | | | |
|--------------------|-------------------|---|--|
| Hearing | Rutherford | Perilymph Analysis to Understand Inner Ear Cellular and Molecular Biology | Inner Ear Perilymph Biology |
| Hearing | Rutherford | Small molecule antagonists of calcium-permeable AMPA-type glutamate receptors for noise-induced hearing loss | Blocking progression of auditory neurodegeneration |
| Hearing | Rutherford/Sheets | Developing a new therapy to migrate chemo-induced hearing loss in childhood cancer | Mitigating CP-induced hearing loss in children |
| Rhinology | Schneider | Differences in the Intended Meaning of Commonly Use Otolaryngology Terms Among Patients and Clinicians: A Multi-Center Study | ENT Meanings |
| Rhinology | Schneider | Endoscopic Pediatric Anterior Skull Base Surgery | Endoscopic Anterior Skull Base |
| Rhinology | Schneider | Ascertaining the Etiology of Facial Pain | Facial Pain Survey |
| Rhinology | Schneider | Imaging and Histopathologic Characteristics of Sinonasal Disease | Sinonasal Disease |
| Rhinology | Schneider | Communication Training in Medicine: A Survey of Academic Departments | Communication Training Survey |
| Hearing | Sheets | Understanding the pathologies of acoustic trauma in zebrafish model | Noise trauma in zebrafish |
| Hearing | Sheets | Roles of mitochondria in cisplatin-related toxicity and delayed hearing loss | CP-induced hair cell mitochondrial damage |
| Hearing | Sheets/Warchol | Identifying novel regulators of afferent nerve regeneration and hair-cell reinnervation | Afferent nerve regeneration |
| Otology | Shew | Cochlear Implant Registry | CI Registry |
| Otology | Shew | Machine Learning and Cochlear Implant Outcomes | Machine Learning and CI |
| Otology | Shew | Auditory Outcomes Following Cochlear Re-Implantation in Patients Selecting a Different Device Manufacturer | Cochlear Reimplantation Outcomes |
| Otology | Shew | The Effects of Cochlear Implants on Patient-Reported Depression, Anxiety, and Psychosocial Function | CI Effects on Mental Health |
| Facial Plastic | Spataro | Evaluation of Nasal Obstruction for Nasal Mohs Reconstruction Patients Using a Validated Rhinoplasty Questionnaire | Eval of nasal obstruction |
| Facial Plastic | Spataro | A comprehensive review of facial Mohs defects: a systematic review of wound defects, reconstruction methods, post-operative complications, and aesthetic outcomes | Review of facial Mohs defects |
| Facial Plastic | Spataro | Randomized control trial of postoperative antibiotic use after rhinoplasty surgery | Antibiotic & Rhinoplasty |
| Facial Plastic | Spataro | Validation of SCHNOS for post-Mohs Nasal Reconstruction Patients | Nasal Recon PROM |
| Facial Plastic | Spataro | Assessing Preoperative Expectations and Levels of Satisfaction in Patients Scheduled for Rhinoplasty | Rhinoplasty Outcomes |
| Hearing | Warchol | Role of phagocytosis in otic pathology and regeneration | Phagocytosis in the inner ear |
| Head & Neck Cancer | Zolkind | Early Phase I Window of Opportunity Biomarker and Safety Trial to Test Pyrimethamine as an Inhibitor of NRF2 in HPV-unrelated, Locally Advanced Head and Neck Squamous Cell Carcinoma | pyrimethamine window HPV-HNSCC |
| Head & Neck Cancer | Zolkind | Trends in outcomes in Head and Neck Squamous Cell Carcinoma by subsite and exploration of clinicopathologic factors associated with patient outcomes | Outcomes in H&N Cancer |

Updated 10.21.24
